Illuminate Adelaide Lightkeepers

Shine your light on the future of Illuminate Adelaide

Illuminate Adelaide Lightkeepers is a unique opportunity to support one of Australia's leading and fastest-growing cultural events.

Lightkeepers is Illuminate Adelaide's philanthropic giving initiative, created for supporters who wish to deepen their engagement with Illuminate and help shine a brighter light on our artists, community, and city.

Our supporters believe in the power of art, music, light, and technology to transform Adelaide through extraordinary, shared experiences. Through ambitious commissions, large-scale installations and groundbreaking collaborations, Illuminate Adelaide continues to deliver bold and unforgettable experiences for audiences across South Australia and beyond.

As we continue to grow, philanthropic support plays an essential role in enabling work of scale, imagination, and significance, while ensuring the City Lights program remains diverse, accessible, and free for everyone to enjoy.

Lightkeepers welcomes donors contributing $2,500 or more annually and offers closer connection to Illuminate Adelaide's creative world. Through behind-the-scenes access, exclusive events, and direct engagement with Artistic Directors Lee Cumberlidge and Rachael Azzopardi, artists and collaborators, members gain insight into the creative vision behind Illuminate Adelaide.

Illuminate Adelaide Lightkeepers enjoy access to exclusive benefits, including:

- Invitation to the official Illuminate Adelaide exclusive behind-the-scenes preview event
- Exclusive priority booking period and personalised ticketing service
- 10% discount on full-priced tickets
- Year-round offers from Illuminate Adelaide partners
- Invitations to additional VIP events throughout the year
- Acknowledgement on the Illuminate Adelaide website

Annual donations of $2,500+ are tax-deductible less $250 in exclusive benefits received, or less $500 for couple memberships.
